Matthew E. Draper

Community Service Co-Chairs

Kathryn E. Kirk

Lisa E. Outar

Dear Classmates:

I hope your summer has been enjoyable.

This is the first dues request of the class fiscal year ending June 30, 2008. One of the biggest complaints I receive is that it is difficult to remember if you have already paid your dues (particularly if you signed up for the Five Year Plan). In an effort to reduce the confusion, you are now able to check online at our newly revamped class website (www.princeton95.org). Simply log into your account and click on "Class Dues and SSF Donations." If you already paid, you will be notified, and you will have the option of making a donation to the Summer Service Fund. In case you did not already know, our class dues are tax-deductible and any contribution you make should be reported on your tax returns.

The other class officers and I would also like to take this opportunity to thank seventy-eight of our classmates (next page) who have paid their dues each of the past twelve years without missing a single year. With classmates paying back dues, the number of classmates with a perfect record has increased every year since we began this program. Their consistency has provided the financial foundation for all of our class activities. If you wish to join this annual list by paying unpaid dues, please send me an email, and I will let you know your dues status.

In order to fulfill your fiscal duty to our class, simply circle either the one-year or five-year box on the dues card, fill out any personal/anecdotal information and send your check for either \$45.00 or \$195.00, respectively, to the Princeton Class of 1995. Whether or not you owe dues this year, everyone is also encouraged to send a donation to the Summer Service Fund. As an added convenience, you can visit the class website (www.princeton95.org) to pay all dues or contributions by credit card.

Many of you have asked for details about the Summer Service Fund. Thanks to the generosity of our fellow classmates and some matching gifts from other classes, the endowment of the Summer Service Fund has grown to almost \$90,000. Earnings on this endowment along with your continued support allow us to provide \$5,000 in grants per year and will one day allow us to increase both the size and number of grants. This year, we created an Investment Committee for the Summer Service Fund, consisting of classmates Anthony Marino, Geordie Hebard and Erik Schneider, to advise me on the prudent management of the endowment.

As always, please let any of your Officers know if there is anything you think the class should be doing, or if you're interested in getting involved in class affairs. I understand that it may be difficult, but please try to keep your address current with Alumni Records by sending the appropriate information to the Alumni Council or via the enclosed dues card.

Thank you in advance for your contribution to our Class Treasury.

Sincerely,

Adam Lichtenstein '95
